Safety in Action Focus on Technology

Safety In Action, to be held concurrently with Melbourne Materials Handling at the Melbourne Exhibition Centre, April 17-19, 2012, will offer safety managers and supervisors the most convenient and effective way to keep track of the latest products and services.

Further, visitors will be able to network and learn from industry experts through a number of free industry knowledge centres.

The shows will have products and services of interest to managers in warehousing, logistics, site management, maintenance, QA, production, OHS, risk, forklift management and project management, as well as foremen, building contractors, plant managers, union representatives, emergency services personnel, rehabilitation coordinators, occupational therapists, engineers and despatch managers.

To register or for more information, go to safetyinaction.net.au or call 03 8672 1200.
